the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 12.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (1999) has published a strategy for ageing, which sets out the government's commitment to improve the health and quality of life of older people. The strategy is based on the following principles: (1) older people should be able to live independently and actively; (2) older people should be able to access the services they need; (3) older people should be able to participate in the decisions that affect their lives; and (4) older people should be able to live in a safe and secure environment.

The Stratford trip is an annual trip made to Canada over fall break where students independently study particular plays assigned by a teacher. This year, *To Kill A Mockingbird*, *The Comedy of Errors*, *The Merchant of Venice*, *An Ideal Husband*, and *Oklahoma!* were featured plays seen on this years trip.

While in Canada, students typically see five
plays and are given the remaining time to
shop, eat, and tour downtown Stratford.
Some, however, chose to pay an additional
fee to see the play *My One and Only*. The
first morning, students went to a prop and
costume warehouse. Their final morning in
Canada, students were taught how to stage
fight by a Stratford actor.

A photograph of two young men sitting on a dark metal bench. The man on the left, Alex Pletcher, has dark hair and is wearing a white hoodie over a grey t-shirt. The man on the right, Kory Puckett, has brown hair and is wearing a green jacket over a teal shirt. The background is a plain, light-colored wall. The names 'Alex Pletcher' and 'Kory Puckett' are printed in white text above each person.

Every other year, the crimson orchestras and both advanced choirs travel to a large city to perform their contest pieces. This year, the crimson groups visited New York and spent a lot of their time in downtown Manhattan. The group left March 1 and returned home March 4. While in New York, the groups visited the Statue of Liberty, Ellis Island, and saw a Broadway show of their choice.

Thank's to the music department, chaperones, and Goshen High School for making this trip possible once again!

Goodbyes

Jacey Abney

Even though you're not the oldest or the youngest, you will see that being in the middle is a real neat place to be. The middle of a sandwich is the most important part, and the middle of your body is the place you'll find your heart. The engine in the middle is what runs a good machine, and our family wouldn't be as great without you "in between"! We wish you much love and luck as you begin this great journey. You make us proud each day. We love your ambition, your energy and your heart.

Congratulations!

Love Dad, Mom, Lindsay, Lexy and Brady

Ben Addis

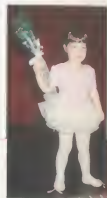

Ben-
What an Awesome young man
you've become!
Congrats on this important
milestone. There will be many
more to come.

Love,
Mom

Stephanie Banakis

Stephanie-
We are so proud of the wonderful person
you have become. You are so talented in
so many ways. We can't be happier for you
and your future. We wish you all the best
that life has to offer.

All our love,
Mom, John, Dad, Val, Natalie, Michelle,
Nancy, Kate, Colleen, and Buster

Ryan Bartley

Ryan '08

Ryan,

You are the baby of our family and our fourth son. You attended your first basketball game when you were just five days old. You have stood tall in the challenges that come from having three older brothers. You have brought joy, laughter, and music into our family.

To you we say:

Who and what you are is God's gift to you. What you make of yourself is your gift to God. Let your heart be your compass. Whatever you choose to do, be the best at it. Be strong in all your decisions, be proud of your accomplishments. Love with all your heart. The future doesn't lie ahead of you waiting to happen.

The future lies within you waiting to be discovered. May God bless you as richly as he has blessed us, with you.

We love you Ryan,
Mom and Dad

Camden Bontrager

Cam,

What a joy it has been watching you grow up both on and off the athletic field. Friday nights won't be the same for us. You are a true leader with a great passion for life. Whether you are swimming or playing football you inspire those around to do their best. What an honor it was for you to win the Phil Hoogenboom Heart and Soul Award for swimming and for being named Captain your senior year for football. Remember to be true to yourself and God. He is the path that guides us all. We look forward to the next chapter in your life, watching you swim, play football and seeing where life leads you. If you attack life, like you do football, it should be an exciting ride.

With Much Love,
Dad, Mom, Ashley and Shelby

Jade Beachy

Dear Jadey,
I've known you since the womb. Remember when we used to crawl out and get the mail? I love you girly!

-Mags

Jade-
We are so proud of you and the person you have grown up to be. You are a confident young woman reflected in your maturity. You are intelligent and a hard worker reflected in your grades. You have a good sense of humor reflected in your beautiful smile. These are all attributes that will provide you with the tools to accomplishing any goal you choose.

Graduating from Goshen High School is just the beginning. You have so much more to learn and to contribute. Always look in the past to remember where you came from and the good times you had as you set your sights on the future. Life is a learning experience so remain open to new ideas. Be receptive to differing lines of thought, try to understand the person who is expressing them and why, but know that you are firm in your ideals and morals. Don't blindly accept the opinion of an authority figure as truth. It is better to find out for yourself what is and what is not factual.

Remember that no matter what you do or where your life may lead you, God and your family will always be behind you and support you. Make good decisions, learn from your mistakes and be a good person. You go girl!

Love
Mom and Dad

Thank you for 18 years of love and laughter. God has blessed us with you as our daughter. We are so proud of you, not just for your accomplishments, but who you have become as a person. The years have gone by so quickly and it's been a joy to watch you grow and mature into the young woman that you are today. May God guide you into the next chapter of your life.

Jacob Drudge

Watching you grow up has been such a joy! You were a "busy child" and always on the go! You are starting a new journey in your life. Let God guide you in your decisions. Have fun, follow your heart, and live life to the fullest.

We love you!
Mom, Dad, Emily

Life is like a baseball game. When you think a fast ball is coming, you gotta be ready to hit the curve.

To watch you grow up has been one of the greatest joys in my life. You continue to amaze me with your ability to give your best no matter how hard the journey. I look forward to watching your life blossom as God moves you into your adult life. It has been my privilege to be your mother.

David Graber

Dear David,
You have grown from a cute baby to a wonderful young man so quickly. We have enjoyed you and loved you every minute of these 18 years. We are privileged to have you as a son and brother. Joyce would be proud of you too! We pray that your life will be full and happy as you move ahead into new adventures, serving God and others.
We love you,
Mom, Dad, Paul, Stephen [and Joyce]

Brock Goodman

Dear Brock,

People always told us that in a blink of an eye you would be grown. We didn't believe them, but it is true. Time does fly. It seems like only yesterday you were this little boy in the picture. We can't help but smile as we think back over the years and all of the things that you have done. All the Lego projects that you built gave you the desire to want to design and build things for real. Football gave you challenges that helped you learn how to handle adversity and show perseverance. Track gave you the joy of success. We wouldn't have missed these years for the world. Your senior year is a bittersweet time for us. As you start down a new path in your life, remember to keep your head high, don't let other people define who you are, and always look towards the future. We believe in you and have confidence in you that you will continue to live your life out on your own as you have at home. You are a wonderful son and have given us so much joy. It will be hard to see you start down this new path, but the tears will be those of pride and joy.

Love you so much, Mom and Dad

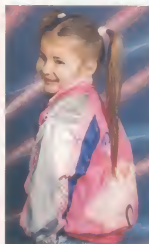

Kayla Guitfoos

Kayla,

We are so very proud of you. You have grown into a beautiful young lady. Follow your heart, believe in yourself and continue to be true to yourself in all you do and you will have much success and happiness. Our wish for you is that all your hopes and dreams come true. We will miss you very much as you move on to the next chapter of your life.

Lots of Love,

Mom and Dad

Andy,

Wow! the past 18 years seem like they have flown by. It seems like only yesterday we were watching you slide down the stairs in your diapers and chasing you around the house. It is truly amazing to have watched you grown and mature into an outstanding young man that stands before us today. Along the way you have always been there when we needed you, both as parents and also as family. Your dedication and work ethic towards both your studies and sports has been remarkable. We know at times you struggled playing three sports and being up until well after midnight doing your homework, yet still making the high honor roll. We may not tell you enough, but we hope you know how truly proud of you we are. Keep doing what you are doing and life holds no limits for you.

Congratulations. S Love,
Dad & Mom

Your Dad and I always knew one day that you would grow from our little man to our young man. But we didn't know it would come so fast now it's here and we have always been so proud of you but never as proud as we are now.

May God be with you in everything you do, hope your life will be everything you've dreamed of. Keep your head up and show the world that wonderful smile.

Nora,
Thank you for all the fun we've had over these last 18 years: soccer from the Stars to the Redskins, all the music, great family vacations, and following you through school. We wouldn't have missed it all for the world. God bless you on the next part of your journey, and remember, the door at 510 South Fifth is always open to welcome you home.
We love you lots.
Mom and Dad

Tyler-
God gave us a special gift over 18 years ago. A little 1 pound 13 ounce baby boy named Tyler. You've had to face so many challenges throughout your life. Accomplishing things that the doctors said you'd never accomplish. You never made excuses and have done things with such determination. You always have a smile on your face and joy in your heart. May you always love the Lord and let Him guide you through whatever path you take. We are so proud to be your family! Love you! Dad, Mom and Brooke

We are proud of all your accomplishments in and out of the classroom. It has been fun following your running career, seeing your music and theater performances, even taking you to those conferences. Follow your dreams. They are big ones. We know you will make a difference in the world.

Love, Mom and Dad.

Landon Ortiz

As we have watched you grow over the years, we are so proud of the kind, courageous, strong man you have become. We admire how you care for people, encourage family and friends and hold true to your faith. We all cheered for you at your baseball and soccer games, said a lot of prayers when you raced on the motorcycle, and smiled with pride when you left on your first mission trip. You make life an adventure and that will take you far. You are truly a blessing to this family and for that we say thank you. Love,

Mom, Dad and Madison

Crystal Newcomer

I have always said you were a special blessing. You have come so far, were very proud of you and I have been so proud to say you're my daughter. Don't let anything ever hold you back from your dreams and goals. Remember always keep God first in your life and go for it all. Remember live life to the fullest, may your spirit always be free like a butterfly. Live, Laugh and Love

We love you so much and will always be there for you- Dad and Mom

Preston O'Bryant

Dear Pres-

It would be impossible to describe how proud I am of you and the man you have become. You have endured many trials with a tremendous amount of character and maturity. The passion you possess in your life no matter what you are doing, along with your laughter is intoxicating. You have such a balance between being sweet and full of mischief (kept me on my toes!!) You have become a man with integrity and what more could a mother want her child to represent, stand up for what you believe in... dare to dream... never lose your sense of humor... you are a winner - past, present and future!!! This next phase of your life will only be another stepping stone for you, take your experiences and grow from them, become even better and stronger. I will continue to support you as this door closes and another opens. I have confidence in your wisdom and courage to always make the right decisions. I will miss you and the life you have given me but welcome what you will continue to bring to my life. It has been an honor and a pleasure to be your mother... I love you!
